SIR

× Edn 77 of 02 With reference to Government Order
Sl No 4 3509-12 dated the 16th January 1904 sanctioning a
list of new school buildings to be taken
for from the State Funds, I have the
honour to inform you that the building
of the IV Village School Design was
sanctioned for the Chikmagalkanhalli
Anglo-Vernacular School, and a
building of the Standard Taluk
Design was sanctioned for the
Anglo-Vernacular School at Channagiri
I find after inspecting the Chikmagalkan
halli School that the IV Village Design
will not be suitable for it as accom

of its rapidly increasing attendance
On the other hand the Standard Taluk
Design will be too costly for a small
School like that of Channagiri I have
therefore in anticipation of Sanction
requested the Superintending Engineer
of the Eastern Circle to adopt the Standard
Taluk Design for the Chikmarkanhalli
School and have also requested the
Superintending Engineer of the Western Circle
to adopt the I Village School Design
for the Channagiri School. This change
will make little or no difference in the
total cost of buildings and I trust
Government will approve of it

I have the honour to be,

Sir,

Your most obedient Servant

H J Bhabha

Inspector General.
